This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. NOTE

THE *Who's Who Year-Book* is made up of the tables which were formerly such a popular feature in *Who's Who* itself. These tables were, in fact, the original nucleus of the book, which developed on different lines into a biographical annual. Thus, though the two books are now entirely distinct, there is an underlying connection, and additional details concerning all persons of eminence who are entered in the tables of the Year-Book will be found in *Who's Who.*

The Year-Book was issued in response to numerous suggestions and requests. In spite of the large number of reference books, there is still need for one where the information can be seen literally at a glance, and which includes not only the gist of information contained in many expensive publications, but some original tables to be found nowhere else. Under the last heading may be classed a list of Race Meetings with dates of their fixtures and names of the Clerks of the Course, a table of London Theatres with their lessees and managers, and, among the new tables appearing for the first time in this edition is one of the Members of the French Academy, and another of the Heads of Colleges at the Universities of Oxford and Cambridge, and a third of the Captains of First Class County Cricket Elevens. For corrections and additional information in regard to all matter appearing in the book, the editor and publishers are greatly obliged to the various secretaries, registrars, and other officials without whose aid it could never have been brought up to date. Any suggestions or criticisms which will help to make the book increasingly useful will be gratefully received.

THE EDITOR.

Treasurer—F. A. BEVAN, ESQ., D.L.
Bankers—BARCLAY & Co., 54 Lombard Street, E.C.

For Visiting and Preaching the Gospel in Workhouses, Lodging-Houses, and other Benevolent Objects.

THE province of this Society is to preach the Gospel, and in other ways relieve two classes: those who cannot, and those who will not, attend the ordinary places of worship. The work of preaching and visitation is carried on by 450 gratuitous labourers, belonging to every evangelical denomination, the Society being entirely unsectarian. Last year the number of Workhouses and Casual Wards visited was 25; number of hearers, 20,000 weekly; many Lodging-Houses were visited (2000 inmates weekly); Open-air Stations, 21; Mission Halls and Rooms, 9; Free Meals given, 22,500; Tracts distributed, 155,000. Children's Dinners and Breakfasts provided, 27,708; Children and Adults taken into the country for a day, 2054; for a week, 500; Workhouse inmates for a day, 4344; attendances made by poor Widows employed in making clothing, 2570. Income, £6849. Donations can be paid into the Bank, Messrs. Barclay and Co., 54 Lombard Street, E.C., or will be very gratefully received by the Secretary, Mr. JAMES ATKINSON, The Hall, London Street, Bethnal Green, E.

N.B.—*Tracts, Periodicals, Hospital Letters, and Parcels of Clothing are much needed and will be gratefully received.*

SPORTING BOOKS.

HOW TO FISH. By WILLIAM EARL HODGSON. Containing Eight Full-page Illustrations, and Eighteen smaller Engravings in the text. Large Crown 8vo. Cloth. Price 3s. 6d. net. Post free 3s. 10d.

"*How to Fish* will instruct the novice and interest the veteran fisherman, who will find in it no mere dry-as-dust discussion of elementary principles of the art, but an entertaining treatise upon many points which have been dealt with rather perfunctorily by other writers."—*The Scotsman.*

TROUT FISHING. New Edition. By WILLIAM EARL HODGSON. Containing a Facsimile in Colour of a "Model Book of Flies" for Stream and Lake, arranged according to the month in which the lures are appropriate. In One Volume. Large Crown 8vo. Cloth. Gilt top. Price 7s. 6d. net. Post free 7s. 10d.

"The pictured fly-book at the beginning of the volume is undoubtedly the finest piece of work of the kind that has ever been produced and published in this country, and comes as a revelation of what can be done. The flies stand out from the page with marvellous reality. The illustrations and the letterpress are well matched. . . . We have not had more pleasure from a book for a long time."—*The Field.*

SALMON FISHING. By WILLIAM EARL HODGSON, author of *Trout Fishing.* With Eight Full-page Plates in Colour: including, as Frontispiece, the famous picture, "Salmon-Fishing on the Dee," by Joseph Farquharson, A.R.A., and a Model Book of 74 varieties of Salmon Flies. Also Ten Page Illustrations in Black and White, and a Sketch Plan of Model Salmon Pass. Large Crown 8vo. Cloth. Gilt top. Price 7s. 6d. net. Post free 7s. 10d.

"No angling writer has a happier art in relation, and none more ability in the discussion of sporting technique. Mr. Hodgson puts 'a world of meaning' into a few fortunate lines, and never commits the sin of verbosity."—*The Globe.*

FISHERMEN'S WEATHER. By upwards of One Hundred Living Anglers. Edited by F. G. AFLALO, F.R.G.S., F.Z.S. With Eight Full-page Illustrations in Colour by CHARLES WHYMPER, F.Z.S. Large Crown 8vo. Cloth. Gilt top. Price 7s. 6d. net. Post free 7s. 10d.

"Probably the most useful book that has recently been added to the angler's ever-growing library."—*The Scotsman.*

THE PRACTICAL ANGLER: or the Art of Trout Fishing more particularly applied to Clear Water. By W. C. STEWART. New Edition, containing an Introduction by W. EARL HODGSON, and including Coloured Facsimiles of the Flies used by Mr. STEWART. Large Crown 8vo. Cloth. Price 3s. 6d. net. Post free.

BRITISH DOGS AT WORK. By A. CROXTON SMITH. With 20 Full-page Illustrations in Colour and 20 Small Illustrations in Line by G. VERNON STOKES. Square Demy 8vo (9×6¼ inches). Bound in Cloth. Gilt Top. Price 7s. 6d. net. Post free 7s. 11d.

"We are charmed with it from cover to cover. Here is a book which should appeal to every dog-lover."—*The Speaker.*

"We have not seen any coloured pictures of dogs better than these."—*Saturday Review.*
